

# VIZSLA VERSATILITY TESTS

*Hosted by The Conestoga Vizsla Club*

Rose Hill Game Farm, Culpeper, VA  
Sunday June 5<sup>th</sup>, 2011

***An opportunity to get two passes in each of the three versatility testing areas!!***

The Vizsla Club of America's Versatility Program Tests are for overall improvement of the Vizsla breed; showing the versatility of the Vizsla as a good-looking, well-mannered hunting dog!

The Conestoga Vizsla Club is offering **TWO Versatility Tests in ALL THREE areas in ONE DAY**, in conjunction with the CVC Fun Day on Sunday June 5<sup>th</sup>. The field tests will take place first thing in the morning (beginning at 8am), to avoid the higher temperatures. Pigeons will be used for the field tests, since other game birds are not available in our area at this time of year. Pre-registration required for all tests. Fees below include the VCA fee. Please contact Versatility Chair Michelle Dowd to get signed up ASAP! If you aren't ready for the Versatility Tests, we hope that you'll come out and enjoy a Vizsla-filled Fun Day!
