on the beautiful grounds of the
Rose Hill Game Preserve

Rose Hill Farm, 19202 Batna Road, Culpeper, VA 22701

provided at
a small cost.

Lots of fun dog
party games! And
of course, plenty
of opportunities
for off-leash dog
play.

There will be plenty of activities for the whole family, including the four-legged ones. Whether you want to learn something about the Vizsla, do a little testing, or just hang out and have some fun, this is the place to be. Activities include:

-  Field Clinic – See a broke dog at work and introduce your dog(s) to birds.
-  Show Clinic – Learn about the Vizsla standard and get a few tips from the experts.
-  Juniors' Handler Clinic & Fun Match – Great way for kids to learn some dog handling skills useful in and out of the show ring.
-  Obedience Clinic – Manners can't be learned in a day but get some pointers to help in the process.
-  Rescue Parade – The CVC has made a difference in so many special Vizslas' lives. Come meet some of them and learn how you can help.
-  Versatility Testing – Designed to test and award Vizslas who can perform in conformation, field, and obedience; amateur Vizsla owners are encouraged to enter. Entry fees apply; pre-registration required. Please contact Michelle: email: michelle@broadrunvizslas.com or call: (703) 851-5565.

Additional information will be available at www.cvcweb.org,
including directions and lunch information, by May 6th.
